

Meriel Tufnell Racing to Hunting Challenge 2011 – Course Plan

This is an approximate plan of the course, and maybe subject to alteration. The course builder will make it an inviting course to test the hunter, however, the maximum fence height will not exceed 1.15m and will be brush fences.

- START Below the bank in front of the Grandstand.
1. & 2. First two fences - portable
3. Cross-country steeplechase fence. After jumping ride left handed following the flood ditch to fence four
4. Re-sited steeplechase fence
5. Angled log over little ditch (Cheltenham show ditch)
6. & 7. On and off bank
8. Two to three strides off the bank
9. Log brush cross-country fence
10. & 11. Angled brushes on the right hand mound by the cross-country water jump
12. Bridge
13. Back into arena, take port from a tray, gate, mountain block, cross country fence (timed section)
- Leave arena over portable fence
- Back onto cross country course, laurel hedges, and final cross country hedge.
